Stain Proof – No Exceptions™

Strudon® is inherently stain proof. Carpets made of 100% Strudon® fibers are ideal for high stain environments including food service areas and rental units.

Scoured & Extracted™ to Stay Clean Longer

This solution dyed carpet is Scoured & Extracted™ to remove the processing oils that attract soil. Scouring makes the carpet easier to clean, and helps prevent accelerated soiling known as Rapid Resoil.

Ideal for Large, Open Areas

This carpet is engineered for wide installations where long seams are unavoidable. All yarns are 100% pre-dyed, for uniform color from one edge to the other. Very Large dye lots are available.

Anti-shock

This carpet features permanently conductive fibers and will not generate a static shock exceeding 3.0kV at a relative humidity of 20% and a room temperature of 21°C. 3.0kV is beyond the threshold of human sensitivity and safe to use where personal computers are present.

10 year Warranties

- Commercial wear
- Stain Proof – No Exceptions™
- Anti-shock

 Manufacturer Kraus® Inc.

CONSTRUCTION

Fiber system	100% BCF Strudon®	
Construction	Level loop	
Standard backing system	Dual bonded woven synthetic	
Pile weight	20 oz/y ²	678 g/m ²
Pile height	0.18"	4.5 mm
Gauge	1/10	39.4 rows/10 cm
Stitches	9.5 s.p.i.	37.4 stitches/10 cm
Density	4000	8.5 kilotex/cm ²

PROTECTION

Coloration	100% solution dyed	
Stain resistance	Stain Proof – No Exceptions™	
Soil protection	Scoured & Extracted™	

SUSTAINABILITY

CRI/CCI air quality test	Green Label Plus	GLP 4678
Recycling program	Eligible for recycling program	

PERFORMANCE

Static generation	Maximum 3.0 kV (AATCC 134)	
Flammability	Canada: CGSB 4GP-129 CAN 4-S102.2 (generic per NBC supplement)	
Light fastness	L6 or better	
Change on wet cleaning	Gray scale 5	

INSTALLATION

Approximate pattern repeat	None	
Installation method	Suitable for direct glue or cushion installations	
Chair protectors	Recommended for direct glue installations Mandatory for cushion installations	

WARRANTIES

10 Year Warranties (See full text for details)*	Commercial wear Stain Proof – No Exceptions™ Anti-shock	
--	---	--

Follow manufacturer's installation recommendations. Correct seam sealing is necessary to prevent seam breakdowns. Due to dye lot variations, actual material may vary slightly from samples. For best results, all seams must be row cut and the carpet must be dry laid to optimize pattern match. The manufacturer reserves the right to modify the specifications to improve the product without notice and without prejudice. See krausflooring.com for latest specifications.

E&OE.
